# THE YEAR AT A GLANCE: YEAR 7

---

## A message from your Head of Learning:

It is my pleasure and privilege to welcome you to our school, Park House School. For me this is the most important year of the school and the transition from Primary school to secondary school can be a scary prospect for many students but here at Park House School we aim to make students feel welcome and part of the school community from the very start.

In keeping with the tradition of Park House School, we have high expectations for our students and we pride ourselves in offering a number of successful strategies that enable a smooth process when students move up to Year 7.

Year 7 students will have early and continued support from the whole school community and we hope this will enable them to make the most of all the new and exciting experiences that we offer here at Park House School.

Excellence, Courage, Determination, Respect, Friendship, Inspiration and Equality are the cornerstones of our ethos and these values reflect our commitment to each and every child.

It is a great honour for me to be entrusted with the mission to build and lead, with your support, such a vibrant community of learners. Together, we will work to achieve excellence for all in the year group.

Mr Columbro
