Adjustments

- To deliver PSHE lessons that support our students understanding and to have flexibility to adapt the topics and timings of topics in light of internal and external feedback.
- Sexting and Sexploitation will form part of all relationship lesson online to ensure consistent message as national initiative
- Use of language in communication to combat negative, derogatory language being highlight and what is now ok.
- Use of external guest speakers to emphasise key points like Police for consent, inappropriate touching and summer safety
- Reordering of FGM to Year 8 in light of parent, student and staff feedback
- Diversity assemblies to support PSHE messages as clear student understand what is not acceptable racist language and behaviour
- Lessons are created centrally with a booklet and presentation. Adaptions and new topics and video clips to added as things change.
