

DANCE - Component 2 – Dance Appreciation				
Student Checklist – Section A - Knowledge & understanding of choreographic processes & performing skills (30 marks)				
Spend 30 minutes on this section				
Questions 1 - 5		R	A	G
Part 1: Hypothetical choreography				
I can select a suitable choreographic intent from a stimulus.				
I can describe a motif which matches my choreographic intent using actions, space and dynamics.				
I understand the device motif and development.				
With Motif Development, I understand how to use 'Instead of you could do				
I can identify relationships which show my choreographic intent.				
I can suggest dynamics which show my choreographic intent.				
I understand the term aural setting in dance.				
I can explain how the aural setting can support the choreographic intent.				

Student Checklist

Questions 6-10 Part 2 – Knowledge & understanding of Performance Skills		R	A	G
I know the different categories for the physical, expressive, technical & mental skills.				
I can explain the definition of each performance skill.				
I can explain how a dancer can improve their performance skills.				
I understand safe practice for a dancer and can explain the different ways in which they can keep safe.				
I understand and can explain the mental skills required by a dancer in rehearsal.				
I can describe an exercise to improve a specific performance skill.				

Section B: Critical Appreciation of own work. (18 marks) Spend 25 minutes on this section				
Questions 11 - 13		R	A	G
I am able to write about skills which fall into the correct category requested: Physical, Technical, Expressive or Mental.				
I can state a skill, give a movement example & explain WHY the skill is effective/important.				
For questions about duo/trio, I remember to begin my answer by stating the choreographic intent of the dance.				
I am able to read the question carefully so I write about either the solo phrases or the duet/trio dance without getting confused.				
There are 6 marks for each question, so I understand I need to include 6 skills/points in my answer.				
I am able to describe clear movement examples from the solo phrases and duet/trio performance.				

Subject: DANCE – Paper: Dance Appreciation - Checklist

I understand and can explain how to use choreographic devices to support a dance idea.				
In choreography questions, I am able to describe actions which express the choreographic intent.				

Student Checklist: Section C – Critical Appreciation of Professional works (32 marks) You should spend 35 minutes on this section				
Questions: 14 - 18		R	A	G
I know each of my professional dance works & I do not confuse them in my exam.				
I know the stimuli & choreographic intent for each dance work.				
I understand how to use DIL in longer answer questions: Describe, Interpret (give meaning) then LINK back to the question.				
I can describe the set/staging of a dance work.				
I can explain HOW the staging/set help the audience appreciate/understand the dance.				
I can state the type of accompaniment used in my professional dance works, e.g. instrumental, song, orchestral, natural sounds, voice, silence, etc.				
I can describe the instruments, dynamics, rhythm and mood of the Aural Setting of my professional dance works.				
I can <i>Explain</i> how the aural setting helps the audience understand the dance.				
I can describe features of the lighting in my professional dance works.				
I can explain how the lighting helps the audience understand the work.				
For the 12 mark production feature essay, I can give 2 points for each feature. (e.g. 2 points about lighting and 2 points about costume)				

Subject: DANCE – Paper: Dance Appreciation - Checklist

For the 12 mark compare & contrast essay, I am able to give the same point for each work but compare/contrast how similar or different they are to each other.
