

## Letter from the Head 16/5/25

---

### In this issue; GCSEs continue and the start of Year 6 transition...

Dear Parents and Carers,

It's been a slightly more relaxed week around school, but one with a clear and determined focus on our ongoing GCSE and A Level examinations. I'm delighted to report that the exams have gone superbly so far, with full attendance across the board, a testament to the commitment and maturity of our students.

What has been equally impressive is the continued engagement with additional support opportunities. Attendance at Period 6 sessions remains perfect, and we've seen a growing number of students staying on for our 'Champions Hour' each evening which is exactly the kind of dedication that will pay dividends in the summer.

This week also saw the start of our primary school visits, with Ms Peeters beginning her rounds to meet the Year 6 students who will be joining us in September. These visits are a vital part of our transition plan, helping to ensure that students feel confident and excited about starting their secondary journey. We also encourage all of our incoming students to revisit Park House before the summer, and, if you're a parent who hasn't been in for a while, we'd love to welcome you too. Please do visit our [website](#) or get in touch if you'd like to arrange a time to see the school in action.

On the sports fields, we've enjoyed a competitive week of cricket against St Bart's, with three very close matches. The series currently stands at 2-1 in their favour, with the Year 10s looking to level things up next week. Our Year 8 team secured a great win in their match, while our Year 7 and Year 9 sides narrowly missed out in theirs.

In rounders, our Year 9 girls had a very successful evening in their district matches on Thursday. Between our two teams, they recorded an impressive four wins and just two losses – one of which, in true sporting spirit, came from playing each other!

Wishing you all a restful and sunny weekend, and the very best of luck to all our students continuing with exams next week.
