

PARK HOUSE SCHOOL

Work hard. Be kind. Take responsibility.

27th January 2026

Dear Parents/Carers,

RE: New School Kitchen & Food Concept Launch

We are pleased to share that our new school kitchen will open on Monday 9th February 2026. From this date we will be providing a normal catering service.

After February half term, the school will also be launching a new food initiative to offer students more variety, healthier options, and faster service at breakfast, break and lunch.

The new kitchen will allow us to introduce our 'Grab & Go' concept, which will include a range of nutritious, ready-to-serve meals and snacks. This will help students get their food quickly, enjoy good quality meals, and make the most of their time at school.

All food will fully meet School Food Standards, and there will be options for everyone, including vegetarian choices and healthier snack items. Our aim is to support students to eat well, stay on site, and enjoy their food.

We will share more information shortly, including sample menus and pricing. If you have any questions, please do not hesitate to contact the school - office@parkhouseschool.org.

Kind regards,

Luis De Abreu
Head of Catering
Greenshaw Learning Trust

Mr James King, Headteacher
