

Media Studies Paper 1 Section A – Media Language & Media Representation						
Student Checklist						
Question 1 & 2: Multiple Choice (1 mark)						
Read the question carefully and select one response						
Shade the lozenges (oval shapes)						
If you change your mind, draw a cross over the lozenge (oval shape) then shade a different response						
Question 3: Write a response (8 marks)						
The question asks you to “explain” something – do not just describe it						
The space provided sets out the expectation of quantity – fill the space provided						
Use specific terminology from Media Language – at least 2 strong arguments						
Question 4 & 5: Write a response (20 marks)						
Use the planning pages to bullet-point your thoughts						
Select at least three different elements to respond to the focus of the question						
Use specific terminology from Media Language and Representation						
The space provided sets out the expectation of quantity – fill the space provided
