Dear Parents & Carers,

As we approach the crucial time of GCSE examinations, I would like to take this opportunity to inform you about the revision resources available for your child in the field of Edexcel GCSE Business Studies and offer guidance on how you can support them during this important period.

- **Online Learning Platforms:** Our school has had a recent move across to using google as their interactive learning platform in which your child should be aware of how to access and use the platform competently. In the Y11 shared area the pupils can find a wealth of resources that cater specifically to the GCSE Business curriculum, all the lessons taught and various different revision support. We strongly encourage your child to make the most of these resources to reinforce their understanding of key topics.
- **Revision Workshops and Sessions:** We are planning revision workshops and study sessions for GCSE Business Studies. These sessions, facilitated by myself and Mrs Tebble, will focus on exam techniques, revision strategies, and addressing specific challenges that students may face. Please encourage your child to attend these sessions to benefit from valuable insights and guidance.
- **Library and Physical Resources:** The school library is stocked with revision guides, and reference materials for GCSE Business Studies. We recommend that your child utilises these physical resources to complement their online studies especially with Champions hour every day from 4-5pm.
- **Home Support :** Your support at home is invaluable building up to the exam period supporting with revision. Create a quiet and comfortable study environment, establish a consistent study routine, and encourage regular breaks to avoid burnout. Additionally, discussing your child's progress and offering positive reinforcement can contribute significantly to their motivation and confidence.
