

Park House School Uniform, Appearance and Equipment

Including sixth form uniform

Uniform Statement

Park House school requires pupils / students to wear school uniform. We believe that a school uniform provides a sense of belonging and identity whilst setting an appropriate tone for an education setting.

Details of our school uniform requirements can be found below.

In developing our school uniform we have carefully considered what is required practically for classroom lessons or for sport, safeguarding and health and safety considerations, and our obligations under the Equality Act 2010, and we have taken account of the wishes of parents and pupils.

We have also considered the cost implications for families and different groups of pupils and sought best value - we have minimised the number of branded items so that parents have a choice of where they can shop, and we will avoid frequent uniform changes so that clothes can be passed on. We also offer support and a school swap shop to ensure that families have low cost options.

If you have any questions about our uniform, or are struggling through financial hardship, please contact us by emailing office@parkhouseschool.org and we can support you.

Complaints about our school uniform should be dealt with under the school complaints policy which can be found [here](#).

All specific 'Park House' items of uniform are available from 'Skoolkit'. Please find a link to their website [here](#).
