In this issue; Celebrating an excellent start to the new year and staff appointments

Dear Parents and Carers,

Happy New Year! I hope you all had a restful and enjoyable festive period. I am delighted to share how pleased I am with the excellent start we've made this week in re-establishing routines, maintaining high expectations, and ensuring everyone is working incredibly hard. It has been wonderful to see students and staff setting such strong standards as we return after the Christmas break despite the chilly conditions!

This week, as per my message on Monday, I am pleased to announce new Assistant Headteacher appointments. Mrs Peeters is now Assistant Headteacher for Behaviour and will continue the focus on the high standards across the school. Mr Wicks is now Assistant Headteacher for the Sixth form with a focus on the growth and development of this integral part of the school. Mr Marshall is now an Associate Assistant Headteacher for Student Experience and will focus on enhancing extracurricular activities and student leadership opportunities.

The school website's Contacts page will soon reflect these updates

Our extra curricular programme will kick off fully from Monday. Please encourage your child to make the most of the wide range of opportunities on offer. The full list can be found on the website [here](#).

I wish you all a lovely weekend.

Yours sincerely,
