

## Letter from the Head 28/3/25

---

### In this issue; The options process continues, comic relief and work shadow day

Dear Parents and Carers,

As we approach the end of another busy and exciting term, this week has been filled with academic enrichment, sporting success, and fierce House competition!

Our Year 12 students benefited from a very informative finance workshop this week, equipping them with essential financial skills for their futures. It was a great opportunity for students to develop their understanding of budgeting, loans, and financial responsibility, key life skills that will support them beyond their school or university years.

A group of our Year 8 girls took part in a fantastic rugby development session at Thatcham RFC, where they honed their skills and gained valuable experience alongside other students from Trinity and Kennet..

Our netball teams were in action against Leighton Park in a block fixture, with some highly competitive matches leading to two wins and two losses—a brilliant effort from all involved!

A huge congratulations to our Year 10 Football boys, who have been crowned district champions after an emphatic 8-3 victory over Trinity! An outstanding achievement.

Three of our rugby teams competed in the prestigious Rosslyn Park 7s tournament this week, showcasing their talent on the national stage. The highlight was our Under 16 girls' team, who made it through to the quarterfinals after winning their group, placing them in the last eight in the entire country, a truly remarkable achievement!

This week has seen House rivalry at its finest, with students competing in:

**House Debates** – Houses have been selecting their representatives this week ahead of the eagerly awaited semis and grand debate final on Friday, where the ultimate champion will be crowned!

**House Sports** – Hundreds of students have taken part in football and netball, displaying skill, teamwork, and determination in a bid to win vital points for their House. It has been fantastic to see so many students getting involved and enjoying the competition. Every house has had their share of success but the full results will emerge next week!

With so many events happening across the school, it's been yet another week to be proud of at Park House.

Wishing you all a wonderful weekend!
